CANVAS

Paintings in Bamboo Silk. Rich color pigments; arranged on top of one another layer by layer on a canvas best describes this collection. Over the course of time the colors are eroded, scraped off, and wiped away. Time appears to be the artist behind these works, specific designs within the collection have been hand carved to impart special high-low textural effects.

GALAXY

Infinite expanse, distant galaxies, inconceivable depth, and an aesthetic that mankind could never create. Besides excellent technical skills, the use of the finest raw materials also plays a central role in achieving such a perfect result. A high percentage of Bamboo Silk and Handspun Wool is used in our Galaxy Collection.

IMPRESSIONS

With their high-low pile and chic dimensional effects, these exceptional Tibetan-weave rugs exude elegance on many levels. Hand knotted using premium Hand spun Wool combined with luxurious Bamboo Silk yarns, the collection's soft fashion colors and subtly erased patterns speak to traditionalists and modernists alike.
